Rochdale Dog Rescue

Saving Dogs' Lives!

We're on the Web!

Rochdale Dog Rescue

is run entirely by volunteers.

Our role is to prevent dogs being put to sleep at the end of their stay in a council contracted pound, by securing rescue spaces for them around the country with rescues that have an adhered to neutering policy, and that vaccinate and home-check.

We receive no government funding and rely totally on the generosity of the public and our own fundraising events.

This leaflet is produced with the co-operation of **redpepperprint**

who are proud to support

Rochdale Dog Rescue.

Let us help more dogs in 2007

Throughout 2006 there were several times when we feared that Rochdale Dog Rescue might cease to exist.

Due to the Bull Breed Crisis and considerable increases in the number of Bull Breed types arriving at the pound, and fewer

rescue spaces to move them on to meant we were regularly using boarding kennels as emergency housing. This costs money, and as we rely completely on donations our bank account took a serious hammering.

We plan to introduce many new ideas this year, including a 'kid's

club' for our younger supporters.

We have a Standing Order payment scheme, a Buy a Dog a Day Scheme and we can accept donations by Paypal, Nochex and cheque.

Please continue to help us to save more dogs in 2007.

Acknowledgements

Rochdale Dog Rescue wishes to extend a heartfelt thank you to several groups:

To every rescue that has offered spaces to our dogs this year. So many dogs saved and homed, now knowing love and security.

To our Volunteer Transporters. Your continued loyalty and love for these dogs is very much appreciated.

To the girls at the pound, whose hard work ensures every dog has a second chance.

To everyone who has made a donation. You have kept us going when it all seemed impossible.

To all of you we want to say

THANK YOU!
